PRESIDENT'S MESSAGE FOR SEPTEMBER

Well hello September! With school now back in session, my family and I get back on a schedule or more of a routine. I have too, or we would be lost in our household. Routines are good and I assume most of you have yours. Most of you probably don't deviate from your daily routine but most of us probably have our morning coffee or beverage of choice to get us off and running for the day to how we go to bed at night.

This time of year, my girls have their schedules for school and all of their extracurricular activities and for me, my volleyball season begins. Most of you may not know but I officiate volleyball and have been for over 27 years. I travel all over the Midwest, putting on many miles each fall. Last year, I reffed a minimum two to a maximum of five nights a week. This year will be different. Grace is a freshman in high school, Addison is a 7th grader (who has enjoyed not going back to school yet!), and Senja is a fourth grader. Guess what? They are all in volleyball!

Routines are different for all of us, but they keep us on track. For some of us our routines are more detailed than others. However, we all have one. I hope that you will keep your "routine" of coming to our weekly meetings and volunteering for our Service Projects during the months when you can. With that, what an amazing August we had here at Rotary! We had two Service Projects for the month and our local club hosted three couples from Scotland from the Friendship Exchange Program. I want to thank Gregg Jongeling for coordinating the dinners, schedules and for our three host families: Van and Barb Fishback, Larry and Jan Fjeldos and Gregg and Vi Jongeling. **(continued on back)**

Brookings Rotary hosted a Friendship Exchange from District 1020 in Scotland. Gregg and Vi Jongeling had participated by going to Scotland in June. Gregg and Vi, Van and Barb Fishback, and Larry and Jan Fjeldos hosted one couple each for Saturday and Sunday August 24 and 25. A welcome dinner with Rotary officers was held at the Brookings Country Club on Saturday followed by an informal gathering with over forty people attending at the FORT on Sunday evening.

(President's message continued)

For those of you who were able to join us, thank you for spending your time with this traveling crew. I hope that someday I will be able to partake in the Friendship Exchange. I do know it will have to wait until after my "routine" of our school age children comes to an end which is 2028.

Blessings, Jennifer
